**Remarks begin on page 2 of this paper.**

**REMARKS**

On 9 December 2005 the Examiner initiated a telephonic Interview to discuss allowability of Claim 19. The Examiner indicated that Claim 19, as amended in the Response filed 17 September 2005, was still unpatentable over Bowman, U.S. Patent No. 6,725,399. The Examiner discussed the Bowman reference with the undersigned attorney and indicated that Claim 19 would be allowable if the allowable subject matter that had been added to Claim 1 was added to Claim 19. The undersigned attorney agreed to the allowable subject matter being added to Claim 19 by Examiner's Amendment.

Respectfully submitted,
